

Tracey Romans Memorial Criteriums Ovarian Cancer Fundraiser Mother's Day, Sunday 14 May 2017

Proceeds from this year's graded scratch races at National Boulevard on Mother's Day, Sunday 14 May, will be donated to Ovarian Cancer Australia in memory of our former member and friend Tracey Romans.

Tracey Romans passed away from ovarian cancer in December 2015 after a brave, three-year battle.

Tracey loved cycling, she lived it 24 hours a day after her husband Jeff built her a custom bike in 1985 ... a Cecil Walker with a light-weight 531 alloy frame. In 2007, she joined the Northern Vets to compete in races and won a trophy event at Trentham (The Pig & Whistle Trophy). She was a member of Northern until she became ill in 2013. Tracey loved Northern and the friendly social activities and encouragement and support offered by the members of the club.

- **Trophies/medallions for placegetters in each grade**
- **Prize for best costume (teal is the colour of the day)**
- **'One Tough Mumma' award for the best female race of the day**
- **Free membership for women who have a trial ride on the day**
- **Giveaways**

Donation boxes available on the day or visit our fundraising page
